

Chancellor's Measure No. 1/2026, List of Additional Fees Related to Studies

Article I. General Provisions

1. Pursuant to Article X of the Statutes of Vysoká škola NEWTON, a.s. (NEWTON University; hereinafter also referred to as „NEWTON University“ or “the University”) and Article IV of another internal regulation of NEWTON University in the form of the Rules on Fees Related to Study at NEWTON University (hereinafter also referred to as the “Fee Rules”) the Chancellor of NEWTON University hereby announces, in accordance with Article IV, paragraph 2 of the Rules on Fees, by her decision, the specific items, amounts, forms of payment, and due dates for additional fees related to study in the form of a price list of additional fees related to study at NEWTON University (hereinafter also referred to as the “Price List”).
2. The List of Additional Fees determines the current amount of additional fees charged by NEWTON University in connection with studying at NEWTON University and other services provided by NEWTON University.
3. The specific amount of tuition, as the basic fee for the educational services provided, is determined by the statutory body of NEWTON University for individual study programs, broken down by mode of study and, where applicable, by the individual specializations within these study programs and the locations of study, and is a mandatory part of the higher education study agreement concluded between an individual student and NEWTON University, or between a participant in lifelong or continuing education at the university and NEWTON University.
4. Specific exemptions, discounts or concessions may be set permanently or for a specific period of time in the assessment of individual additional fees by means of a decision of the Chancellor. The application of such exemptions, discounts or reductions may be subject to the fulfilment of certain conditions by the NEWTON University student or participant in lifelong or continuing education at NEWTON University.
5. At the request of a student, or a participant in lifelong or continuing education, the Chancellor may waive the relevant additional fee individually by decision in justified cases (typically for health reasons or reasons related to pregnancy, childbirth or parenthood, or for other reasons of special consideration). The waived fee is then not prescribed at all in the particular case or is considered to have been duly paid.

Article II. Types and Amounts of Additional Study-Related Fees

1. The different types of additional study-related fees, including their specific amounts, are set out in the Annex to this Measure.

2. For NEWTON University students enrolled in Bratislava in the Slovak Republic and for participants in lifelong or continuing education at NEWTON University taking place in Bratislava in the Slovak Republic, the specific additional fee amounts calculated in euro currency are applicable (see Annex to this Measure).
3. For students enrolled in distance learning programmes conducted in English, the specific additional fee levels are valid in the currency in which the price of their studies (i.e. tuition fees) is set according to the study contract they have signed with NEWTON University.

Article III. Permanent discounts and benefits

1. Additional fees for splitting tuition fee payments, re-enrolment of courses, enrolment of a course beyond the study plan, change of the topic of the final qualification thesis, change of specialisation or place of study, the possibility of studying on the basis of an individual study plan, issuance of an ISIC/ALIVE card and issuance of a statement of study results are not assessed to students in the Premium mode of study.
2. If the relevant contract between NEWTON University and a NEWTON University student or a participant in lifelong or continuing education at NEWTON University contains a price or other more favourable provision for certain additional fees governed by the List of Additional Fees Related to Study, the contract shall prevail in determining the amount of such additional fees.

Article IV. Final Provisions

1. This Measure shall enter into force and take effect on 1 September 2026.
2. On the date of entry into force of this Measure, the all previous Chancellor's Measures regulating the level of additional study-related fees (previously referred to as "fees") at NEWTON University are revoked.
